Conditions for participation

European Adhesive Bonder – EAB

Participants must have a sufficiently good knowledge of the course language to enable them to understand the course material and take the examinations (written and oral).

European Adhesive Specialist online – EAS online

A precondition for taking the examinations is successful completion of a professional qualification.

Participants must have a sufficiently good knowledge of the course language to enable them to understand the course material and take any relevant examinations (written and oral).

European Adhesive Engineer online– EAE online

A precondition for taking the examinations is successful completion of an engineering or science course (Bachelor degree or higher) at a university or technical college. Participants must have a sufficiently good knowledge of the course language to enable them to understand the course material and technical literature and take any relevant written and oral examinations in that language.

I confirm with my signature that I fulfill the conditions for participation.

By signing this document I confirm that I will not pass on any examination materials and will not participate in any attempts to cheat. In addition, I agree to the certification body, on request, passing on information about certificates that have been issued.

I have received, read, and accept the General Terms and Conditions of Business of Fraunhofer IFAM and the data privacy statement of Fraunhofer IFAM and agree to the storage and use of data in the manner described therein.
